mm - mmm -

With over one and a half million copies in print, the hottest-selling erotic comics phenomenon of the '90s will raise your temperature (and that's not all!) with its winning mix of over-the-top sex action, incredibly detailed, stylish artwork, and wickedly provocative writing. Totally raw, totally uncensored action with ALL the dirty details redrawn by the original artists to correct Japanese censorship!

PRINCESS OF DARKNESS

One of the most extreme and scandalous titles we laid eyes on, *Princess of Darkness* tells the story of Maki, a young woman out on her own with nary a friend but her own personal demon, Elhazzared — a fiendishly devoted creature whose appetite for lust is equaled only by her hunger for vengeance. As Maki is repeatedly abducted and assaulted, Elhazzared arrives — maybe not too late to save Maki, but soon enough to eat her bloody revenge!

ORIGINAL BONDAGE FAIRIES

The very first *Bondage Fairies* series returns! With a brand-new translation, lettering, and artwork newly retouched by Kondou himself to remove ALL the censorship, this is the *Bondage Fairies* as they were meant to be seen! In this eleven-issue narrative, follow Pili, as she is captured by a group of renegade, sadomasochistic bondage fairy sisters and forced to serve them as their personal sex slave in ways too numerous to mention!

NEW BONDAGE FAIRIES

One of the most notorious erotic comics ever, the *New Bondage Fairies* follows Pili and Pamela in their filthy forest escapades — from domination scenes with a bevy of carnal critters, to their own favorite past-time — getting nice and nasty with each other in scenes blistering lebo action! Totally wild and a little bit weird, this is one comic you definitely have to see to believe!

NEW BONDAGE FAIRIES: FAIRIE FETISH

If you loved Pamela and Pili's kinky adventures in the *New Bondage Fairies*, then wait 'til you see what sort of situations they got into in their earlier adventures! See how they got to be such close friends, and what wild scenes of abduction and transgression made them that way!

GOD OF SEX²

With two full-length stories per 32 page issue, the *God of Sex²* delivers more bang for the buck — and in more ways than one! From perverse tales on fairy tales, super-hero and sci-fi spoofs, big-boobed babes and sex action galore, the super-talented pen of Kazuki Tanuchi delivers the dirty goods — in spades!

SEXCAPADES

Meet Hotaru, a hot-to-trot and totally stacked young woman as she struggles to juggle her career with the demands of her insatiable libido — and her equally horny boyfriend Tobel. Only catch is, he's got a wife! And wait 'til you see what happens when she finds out! Throw in an oversexed young starlet and a creepy stalker, and you've got one hell of a wild ride ahead of you in this beautifully drawn, engagingly written series.

SECRET PLOT

Follow the torrid tag-team action of Miki and Mayumi, two incredibly oversexed school teachers, as they take on the super-well-endowed student body and each other with the unbelievable imaginations, dildos, butt-plugs and more. These two can't get enough — but that doesn't stop them from trying!

SECRET PLOT DEEP

One series was not nearly enough to contain the outrageous exploits of our two cum and jam-craving beauties, so NewMeN added the ante with *Secret Plot Deep*! Filled with more incredibly slutty cum-drinking, gang-bang'ng exploits from Miki and Mayumi, *Secret Plot Deep* adds cross-dressing, sex slavery, and a slew of kinky extremes to the lewd and lusty mix!

MANGA!

Thirteen titles to thrill you!

LUST

A panoply of perversions await you in the pages of *Lust*. Tenjiu Ronin's incredibly twisted look into the darkside of carnal desire. In this nether world of the human libido, passionate forces are unleashed that blur the boundaries of reality and sexuality in an erotic and stylistic tour de force!

MISTY GIRL EXTREME

The creator of *Hot Tails* really lets loose with this follow-up series, giving you more of everything you look for in an erotic comic — lewd lesbian hijinks, fantasy-land sex adventures, gang bangs, oral and anal action, and cumshots aplenty! Yui's delightful cartooning style and wall-to-wall sex action have kept people cumming back for more!

WINGDING ORGY: HOT TAILS EXTREME

From *Hot Tails* creator Toshiki Yui comes this extended tale of lust and perversion — and in extra-length issues! Kelsuke's frigid girlfriend Michiko doesn't want to have sex, so his sexual frustrations create a succubus that will fulfill his every desire... but she wants his girlfriend, too!

SILKY WHIP

The artist's name almost says it all! Oh! Great's sensuously styled line work and dazzling attention to detail makes this little hottie a title to look out for! Fetching fillics with filthy minds, sado-masochism, group sex, sex toys, and writing as provocative as the artwork make this orgy of vice a must for any MangEroTica fan!

VOICE OF SUBMISSION

Like it kinky? Then look no further, pilgrim! This new MangEroTica title features all the classic manga stylings you look for, plus a healthy dose of reader tested, reader demanded S/M and kinky action — two great things that go great together! Lesbians, inoset, hardcore domination — it's got it all!
